

Help Us Buy Patio Tables for the MHS Courtyard!

The Courtyard Gardens at MHS has a lovely Patio Terrace off the cafeteria, but currently there are no outdoor tables to allow the students to eat outside. Please help us by donating to raise money for tables. The tables are sturdy, attractive round tables that seat 8 adults and are constructed of plastic-coated steel. They come with umbrella holes so that we can provide shade in the future as well.

The tables cost about \$700 each (including shipping) and we'd like to buy at least 8. So, we need to raise about \$5,600. Any little bit helps!

To donate, send your check (made out to **Milton Outdoor Classrooms**, noting "Patio Tables" in the memo line) to Janet MacNeil, 23 Oak Road, Milton, MA 02186. Questions? Contact Janet at 617.698.7013, janetmacneil@comcast.net.
